

Cynological CV

Karin Strecher, married, 2 daughters.

I have been involved in dog sports in the IGP area since 1996. To date, I have trained 6 dogs in IGP-3 and led all of them to national competitions, 3 dogs also internationally. I have participated in FCI and WUSV World Championships and have been represented many times in the 7-country competition for German Shepherds.

As a trial judge, I was able to judge several national championships in Austria and internationally I have been invited several times to Spain, Norway and Germany to judge national championships there. My "judge highlight" so far has been the 2019 FMBB World Championship in the Czech Republic, where I was able to judge the track.
